## **HEALTH, SAFETY & EDUCATION**

*Committee Chairperson – Elaine Wolters*

Summer is a time for family fun. Listed below are a few activities/crafts that will keep your kids entertained and help them enjoy the outdoors.

- Take a magnifying glass to a park. Hunt for a stone with lines, a buttercup, a pinecone, a feather, and a leaf. Take turns examining each item up close.
- Head outside to look for bugs and insects, then recreate them. Give rocks a coat of paint and let dry. Then, in another color, add spots or stripes. Glue on a set of googly eyes. Once the rocks dry, enjoy your new pets.
- Make pretty leaf prints. Arrange leaves on light-sensitive paper (find it at [sunprints.org](http://sunprints.org)), then cover it with an acrylic sheet and set it in the sun for just a few minutes. Rinse the paper in water, then lay it on a flat surface to dry.
- Build a backyard obstacle course with hula hoops, jump rope and garden hose, then time the kids as they run thru the course.
- Tip: On a rainy day, hit the library, then "rough it" indoors. Build a tent in your living room using some chairs and blankets, then read books inside by flashlight.

## **HOUSING DEVELOPMENT**

*Committee Chairperson – Bob Unrast*

Bob Unrast provided an update on the Marion Acres Development. There is new construction started on a home in the Development and we are excited to see the progress! At this time, there is no additional news from the housing perspective.

## **AGRICULTURAL DEVELOPMENT**

*Committee Chairperson – Mark Hardesty*

The Ag Ed Boosters held a meeting on Monday, June 13<sup>th</sup> this month due to scheduling conflicts. The Boosters are going to assist the Mercer County Dairy Association at the milkshake stand during the 2016 Mercer County Fair.

Our summer newsletter will include a brochure recently completed by our Ag Ed students. Be sure to check it out. The next Ag Ed Boosters meeting will be held on Monday, July 18<sup>th</sup>, 2016 at 8:00pm in the Marion Local Ag Ed classroom. All are invited to attend!

## **OLD BUSINESS:**

The MCDO is continuing to pursue options for gas lines in the Marion Community.

The new phase of the Industrial Park is in development mode! New construction has started on Brick Haus Salon & Spa. It is anticipated to open Winter 2016 and will be a full service salon and spa. We look forward to the continuing progress of this area and will provide updates as they are completed.

## NEW BUSINESS:

The MCDO was recently provided recommendations for liability insurance coverage for land owned by the MCDO, the organizations supported by the MCDO, and for Directors and Officers. The MCDO is working with Marion Township to transfer ownership of the land, which is located at the Marion Township Park. Additionally, the MCDO plans to review options for the liability coverage as a part of the support of the various organizations as well as the Directors and Officers.

The MCDO has been approached about the possibility of a sidewalk along the East side of State Route 716. In light of all of the recent housing development, the MCDO is reviewing grant options for the sidewalk. Years ago, the residents on the West side of 716 wanted a sidewalk and ended up self funding the project. There are options we will pursue but it will be a significant challenge to get outside funding.
