

President's Message—Jim Keller

INDUSTRIAL PARK EXPANSION—In early 2017, a group of community minded folks came together with the goal of expanding our Industrial Park. They formed the Marion Community Land Development, LLC. They diligently pursued the acquisition of some neighboring acreage and were able to complete the purchase in mid-November 2018. See the attached aerial view of the property. These 80 acres, which are just north of our existing Ind. Park will provide space for new and expanding businesses. We are delighted that we live among such visionary people who are willing to invest serious personal money in our community. At a recent meeting, Jared Ebbing, our Mercer County Development Director, noted that this sort of individual investment in a community project could only happen in one of Ohio's 88 counties. He further added that it might only happen at one place in Mercer County; that being the Marion Community. An insight that we can all take great pride in!

Building lots are being laid out to reflect the wishes of several businesses which have expressed interest. If you need space for your new or growing business, please call Dan Heitkamp at (419) 925-4307.

SPEAKER—Our Ag Ed Boosters have scheduled a speaker for January 22, 2019. See details on page 2 of the newsletter.

OTHER PROJECTS—We continue to work with Safe Routes to School, the multi-use path initiative, public gas and the SR 716 sidewalk.

MCDO MEMBERSHIP—It is time for the annual MCDO membership drive. Please see the back page for the new membership form and information. We greatly appreciate your support in 2018!

GOOD CHEER—We hope that everyone had a Joyous Christmas and that 2019 is filled with abundant blessings for all the good folks in the Marion Community!

Marion Local Schools—Mike Pohlman

The first half of the school year is complete and our community has had a lot to celebrate. I would like to congratulate the football team for another state final appearance and likewise with our band. It is very enjoyable to see our students have success after putting in many hours of work. I would like to congratulate our newly inducted National Honor Society students. The following students were inducted this fall: Emily Brunswick, Gace Knapke, Nick Tangeman, Abby Bergman, Ashley Bergman, Kyle Bruns, Katelyn Hartings, Maria Heckman, Reece Hess, Brooke Homan, Spencer Homan, Derrek Kemper, Alex Klosterman, Jacob Knapke, Kelsey Koenig, Natalie Kramer, Cody Kunkler, Emily Nietfeld, Hope Ranly, Hannah Schmitz, Lauren Wolters, and Leanne Wolters. Congratulations to these students for this accomplishment.

The senior citizens Christmas luncheon was a huge success with approximately 150 guest, and I would like to thank Barb Kahlig for organizing this event, Renee Hartings, Cindy Moeder and the kitchen staff for preparing a wonderful meal, and the Marion Local band and choir that provided entertainment for our guest. It is great to celebrate Christmas with the senior citizens in our community.

We recently obtained a grant from the state for school safety. We are using these grant dollars to offset the cost of installing security cameras at the elementary school. We have had security cameras at the high school for approx. 14 years. We will continue to work on upgrading our facilities this spring and summer as we have plans to reseal and stripe our parking lots, and possibly replace some entry doors.

It is good to finally begin the winter athletic season, and join me as we cheer on our Flyers!

Marion Township Park—Lee Heitkamp

The Park Board of Marion Township Park meets monthly. We continue to focus on improving and maintaining the park for our community.

The park board held the annual park patron appreciation soup party in late August. We had a wonderful turnout and appreciate everyone’s continued support.

There have been a few small projects that have been completed this fall. Landscaping was redone by Pleiman Landscaping around the entrance sign. Following the soccer season, tile lines across the park were filled back in after several years of settling. Grass will be planted in the spring.

If you have suggestions for the park’s future, we welcome those discussions. Current Park Board members include: Lee Heitkamp (President – 419-305-8238), Eric Schroeder (419-296-8570), Jeff Wolters (Treasurer – 419-953-6863), Nick “Shaggy” Pavelka (Social media/email coordinator – 419-852-3858), Ryan Stucke (Rentals – 419-852-5088), Jesse Rose (419-305-6695), Kara Ahrens (419-733-7774), and Renee Hartings (Secretary/Concession stand – 419-305-5530).
