Marion Township Park – PO Box 12 – Maria Stein, OH 45860

The 250 Club was started in 1999 to help maintain and improve the Marion Township Park. Since then it has provided funding for many trees, landscaping and other improvements. The Park Board conducts a monthly drawing and each year in August hosts an appreciation “soup party” in the park. This social gathering provides the members with great homemade soups, refreshments and an update on the Park Board’s accomplishments and plans

Thanks for your support.
